- How we and others are paid.
- Any potential conflict of interest we may have.
- Our internal and external dispute resolution procedures and how you can access them.

Lack Of Independence

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you

We, Fitton Insurance (Brokers) Australia Pty Ltd, are not independent, impartial, or unbiased pursuant to section 923A of the Corporations Act because:

- *We may receive commission when we provide personal advice to you in relation to insurance products and other financial products;*
- *We may be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or*
- *We may have associations or relationships with issuers of insurance products and other financial products.*

Further information about these benefits and relationships is set out in this Financial Services Guide. If you have any questions about this information, please ask us.

Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product Disclosure Statement (PDS)

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a Product Disclosure Statement (PDS), unless you already have an up-to-date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

From when does this FSG apply?

This FSG applies from 10th August, 2022 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

What kinds of financial services can we provide and what product/s do those services relate to?

We are able to provide financial product advice (personal and general), deal and issue in general insurance products. For retail clients these products include, but are not limited to:

- Motor Vehicle Insurance;
- Home Building and Contents Insurance;
- Private Boat Insurance;

How can I instruct you?

You can contact us to give us instructions by post, phone, fax or email on the contact number or details mentioned on the front page of this FSG.

Who is responsible for the financial services provided?

Fitton Insurance Brokers Australia Pty Ltd is responsible for the financial services that will be provided to you, or through you to your family members, including the distribution of this FSG. Fitton Insurance Brokers Australia Pty Ltd holds a current Australian Financial Services License no: 264671. The contact details for Fitton Insurance Brokers Australia Pty Ltd are on the front page of this FSG.

What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?

Fitton Insurance Brokers Australia Pty Ltd is authorised to advise and deal in general insurance products to wholesale and/or retail clients. We will do this for you as your broker unless we tell you otherwise. Sometimes we will act under a binder or agency from the insurer. When we act under a binder or agency we will be acting as the agent of the insurer. This means that we represent and act for the insurer, not for you. We will tell you when we act under a binder or agency to arrange your insurance or advise you about your insurance needs or to provide claims handling and settling services on behalf of the insurer.

Will I receive tailored advice?

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, issue insurance policies to you or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

What if your circumstances change?

You must notify us of any changes to your situation that may affect the cover under your insurance policy or the services to be provided by us. We may need to discuss the appropriateness of the insurance placed and ensure that it remains suitable for your situation. The endorsing of your policy with any changes may involve an additional premium charge.

Which Insurers do we deal with?

As a broker we deal with a wide selection of insurers. This list is quite extensive so please contact our office for a full list of the insurers we do business with.

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile, including details of insurance policies that we arrange or issue for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our website, www.fitton.com.au. If you wish to look at your file, please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

If we provide you with claims handling and settling services, we will inform you of any fees, commission or other payments that we, or our associates will receive in relation to the claims and settling services that are provided.

We have been associated with Fitton Insurance for many years now. I feel confident Ron and his team put our interest first with regards to our equine insurance needs. Any new policies we require are seamless to initiate. I highly recommend Fitton Insurance, who deliver sound advice, excellent service and are a trusted insurance partner.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

In this formula:

$$X = Y\% \times P$$

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 10% and 27%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be shown as the broker's fee on your schedule of insurance. This figure does not include the GST component. We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 5% to 50% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary which may include, for the policies we arrange for you, a small percentage of our commission or fees.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See Page 9 for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Fitton Insurance Brokers Australia Pty Ltd is a Steadfast Group Limited (Steadfast) Network Broker. As a Steadfast Network Broker we have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

Steadfast has arrangements with some insurers and premium funders (Partners) under which the Partners may pay Steadfast commission of between 0.5 - 1.5% for each product arranged by us with those Partners, or alternatively a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners. We may receive a proportion of any commission paid to Steadfast by its partners at the end of each financial year (or other agreed period). You can obtain a copy of Steadfast's FSG at www.steadfast.com.au.

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 1% to 2.5% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will be set out in the premium funding contract.
