2. PURPOSE OF THIS DOCUMENT

This Target Market Determination (TMD) seeks to offer consumers and distributors an understanding of the class of consumers for which this product has been designed, catering to the objectives, financial situation, interests and needs of the target market.

This document is not to be treated as a full summary of the product's terms, conditions or exclusions and is not intended to provide any form of financial advice. Consumers must refer to the Product Disclosure Statement (PDS), the policy wording and any supplementary documents which outline the relevant terms, conditions and exclusions when deciding to purchase this insurance product.

3. DATE FROM WHICH THIS TARGET MARKET DETERMINATION IS EFFECTIVE

1st February 2023.

4. OBJECTIVES OF THE PRODUCT & KEY ATTRIBUTES

The Horse Insurance product provides equestrian and bloodstock insurance for mortality and theft, covering death or humane destruction of a horse resulting from an accident, injury, sickness, or disease. Coverage corresponds to the fair market value of the horse when the theft, accident, illness, sickness, or disease first occurs.

The following ancillary coverages can be endorsed as applicable to provide comprehensive cover:

- Veterinary Fees
- Life Saving Surgical Fees
- Economic Slaughter & Permanent Loss of Use
- Stallion Permanent Total Disability
- Coverage can be amended to be based on an agreed value rather than fair market value basis
- Prospective foal insurance, covering foals whilst they are in utero until birth and for a specified time afterward
- Cover for mortality whilst in transit
